

HOME COMPARISON

The following home comparison chart is designed to help you remember the homes you visit and what you liked best and least about each one. Remembering each home you tour would appear easy, but it can quickly become confusing. Which home was near the school? Which one had the great pool? Did it have a family room? And how many bathrooms? This will make it easier for you to recall the property later and refer to a specific address.

Good luck with your search, and enjoy your house hunting adventure!
